This is a screenshot of an iPhone's photo gallery interface. At the top, the status bar shows the AT&T carrier, signal strength, time (9:41 AM), and battery level (51%). The navigation bar at the top of the app shows a back arrow, the title "Photo #5", and a "Delete" button. The main area of the screen is mostly black, with a large white square in the center containing a black icon of a mountain range with a sun or moon, which is a standard placeholder for a missing image. At the bottom, a portion of a grid of photo thumbnails is visible, each showing the same mountain icon.
